MEMORANDUM FOR: Deputy Director for Operations

Bill:

1. You will recall discussion at the Management Committee concerning a staff employee who, having married a foreign national, will revert to contract status for a three-year period. In my briefing at the recent meeting of the East Asia COS's, I mentioned this matter as one of the changing things taking place.

2. I recently received the following memo from [ ] I thought you might like to read it, but I find it a little difficult to share his concerns. I bow to you if you think any of his points are of sufficient weight to reopen the issue.
